

KINGSLEY UDEH

Full Stack Software Developer

Nigeria | keengsleyudeh@gmail.com | +234 916 873 0140 | Portfolio: bit.ly/4vL4jIR

Professional Summary

Results-driven Full Stack Developer with years of experience engineering scalable enterprise platforms, data-driven software, and AI-powered solutions. Combines a First Class Mechatronics Engineering background with expertise in React, Next.js, Node.js, Express, TypeScript, Python, PostgreSQL, and REST APIs. Proven track record of architecting software solutions for enterprise engineering workflows, real-time IoT platforms, and intelligent business applications.

Technical Skills

- Languages: TypeScript, JavaScript (ES6+), Python, C, C++, SQL, HTML5, CSS3/SCSS
- Frontend: React.js, Next.js, Redux, Tailwind CSS, GSAP, Framer Motion, PWA
- Backend & Data: Node.js, Express.js, PostgreSQL, Firebase, REST APIs, WebSockets, CI/CD
- Tools: Git, GitHub, Docker, Postman, Linux, Figma, Miro, Jira, Asana

Professional Experience

Lewisham Multi Solutions | Full Stack Developer

July 2024 – Present (2 Years)

- Architect and build robust full stack software
- Design AI-powered modules using LLM APIs
- Develop REST APIs and PostgreSQL backends
- Build Next.js/React UIs
- Manage SDLC and deployments.

Ceed Venture Studio | Software Engineer

Sep 2024 – Jan 2026

- Engineered responsive web apps and MVPs
- Created modular frontend libraries
- Participated in code reviews and Git workflows.

Smart World Research Hub | Full Stack Engineer

May 2024 – Dec 2024

- Developed IoT web applications
- Built backend logic and microcontroller integrations.

Cardioll | Frontend Engineer

Jun 2024 – Jul 2024

- Designed real-time health monitoring dashboards.

Motenrise | Frontend Developer

2023

- Converted Figma mockups into responsive web layouts.

Education & Certifications

- Federal University of Technology, Owerri – B.Eng. Mechatronics Engineering (First Class Honors, CGPA 4.7/5.0), Nov 2018 – May 2024
- ALX Professional Foundations & Pro Software Development Certification (2024)
- MDEEG Academy Frontend Development Certification (2024)
